Verse 1

When you go dancin' on a Saturday night
Hey, you know you gotta swing
East Coast and West Coast, Shag and Lindy Hop
Ask anybody and swing until you drop, yeah

Dance your pants off, little sister
Dance your pants off, little brother
Dance your pants off, hug each other
On a swing dance Saturday night

You'll learn to move your feet and you'll feel real swell

Verse 2

Wear a zoot suit or t-shirt and jeans
Hey, you know you gotta swing
Triple step, step step, smooth whips and dips
Follows and leads show swing dancin's hip, yeah

Dance your pants off, little sister
Dance your pants off, little brother
Dance your pants off, kiss each other
On a swing dance Saturday night

Bridge 2
